

# Declaration of Conformity Product Safety

(This declaration of conformity is issued under the sole responsibility of the  
Manufacturer)

We (Vogel's), hereby declare that our products meet the requirements according:

- 2001/95/EC Directive on General Product Safety
- VPS 90.007 Product safety\*
- VPS 10.006 Product & packaging labeling\*
- VPS 30.001 Hazardous Substances\*
- Best Practice 13-03: dFMEA\*
- Additionally, product safety of our products is confirmed by TÜV Netherlands with **TÜV Certificate Nr.: 2400-A-465**, a detailed list with products applicable to this certificate can be requested at the Quality department of Vogel's.

**Note: Products delivered by Vogel's bearing the CE-marking have their own EU Declaration of Conformity.**

\* The specific requirement is based on a document written by Vogel's. The document specifies a summary of various standards, procedures and test methods to ensure the quality and safety of the product.
