

Declaration of Conformity Product Safety

We (Vogel's) hereby declare that, based on our internal data and information received from our suppliers, our products meet or exceed at least the following specified requirements according:

- 2001/95/EC Directive on General Product Safety
- **If electrical product** – Directive 2012/19/EU Waste from Electrical and Electronic Equipment (WEEE)
- **If electrical product** - Directive (EU) 2015/863 amendment of the RoHS DIRECTIVE 2011/65/EU
- REACH (Registration, Evaluation, Authorization and restriction of Chemicals) Regulation EC 1907/2006
- Conflict Minerals Regulation (EU Regulation 2017/821)

The following documents (VPS – Vogel's Product Standard) contain specific requirements and specifies a summary of various standards, procedures and test methods to ensure the quality and safety of the product.

- VPS 10.011 Product & packaging labeling
- VPS 30.001 Hazardous Substances
- VPS 90.007 Product safety
- VPS 90.008 8D procedure
- VPS 90.009 Logistic requirements
- VPS 90.010 Shipping inspection
- VPS 90.023 Minimum supplier quality requirements

Additionally, the product safety of our products is validated by TÜV NORD Netherlands through TÜV Certificate No. **2400-A-465**, a comprehensive list of products associated with this certificate can be obtained by contacting the Quality Department at Vogel's.

Note: Products bearing the CE-mark will necessitate adherence to additional requirements, as detailed in the mandatory EU declaration of conformity specific to each product.
