

REACH (EC/1907/2006) STATEMENT

(This statement is issued under the sole responsibility of the Manufacturer)

With this statement we (Vogel's) want to inform you about our position under the European REACH (Registration, Evaluation, Authorization and restriction of Chemicals) Regulation EC 1907/2006.

All products we produce, and supply are "articles" as defined in Article 3 of the REACH Regulation.

Producers and suppliers of articles are according to Article 33 of the REACH Regulation required to provide information about SVHC substances included in the REACH SVHC Candidate List if such substance is present in a supplied article above 0.1 percent by weight. Delivered articles should furthermore comply with restrictions laid down in REACH annex XVII.

Our products do, according to our current data and information we have collected from our suppliers, not contain:

- substances from the candidate list over 0.1% w/w, unless communicated otherwise.
- substances restricted in our products by REACH annex XVII over their respective thresholds.

The above information is provided in good faith and is based on data considered accurate at the time of preparing this note. No warranty is expressed or implied regarding the completeness or accuracy of this data. As a producer, we depend on the information we receive from our suppliers. We cannot be held liable for damages or costs resulting from the use of or reliance on such information.
